

The SCIEX Technology Tour is coming to Maryland!

Tuesday, November 9, 2021 • University of Maryland IBBR • 9600 Gudelsky Dr, Rockville, MD
Wednesday, November 10, 2021 • Sagamore Distillery • 301 E Cromwell St, Baltimore, MD

We're hitting the road and visiting all of our friends and family! We haven't seen you in a long time and we have so much to share. Join us November 9th or 10th from 9:00am to 4:00pm! Oh, and lunch is on us!

Experience our complete portfolio of SCIEX technology, including some of our latest mass spectrometry, capillary electrophoresis, and software innovations.

Come see the following technology:

[SCIEX ZenoTOF 7600 System](#)

[SCIEX EchoMS System](#)

[SCIEX 7500 QTRAP-Ready Triple Quadrupole System](#)

[SCIEX PA800 Plus Capillary Electrophoresis System](#)
