

6th ANNUAL NORTH AMERICAN MASS SPECTROMETRY SUMMER SCHOOL

July 8-11, 2024

WISCONSIN INSTITUTE FOR DISCOVERY
Madison, WI

This interactive program mixes engaging lectures from world-leading experts with hands-on demonstrations, workshops, and discussion.

This event is free to attend thanks to generous support from the National Science Foundation (2010789), the National Institutes of Health and the National Center for Quantitative Biology of Complex Systems (P41 GM108538).

Application and program details can be found at www.ncqbc.com.

APPLICATION CLOSES APRIL 1, 2024
or when capacity is reached.
